Professional Record/History

Please provide information on the following areas below about the candidate's personal and professional achievements in the last five years and submit a high resolution photo.

- 1) Organizations and Affiliations and positions held in these organizations
- 2) Publications
- 3) Speaking Engagements
- 4) Involvement in Social Projects
- 5) Promotion of Purpose in Brand Communications

Cite specific projects initiated by the candidate (with sufficient detail) that promoted values or purpose in brand communication programs. Show how these initiatives fueled growth for brands and the business, and their impact in making the lives of people and the community better.

- 6) In not more than 2,000 words, demonstrate the candidate's excellence in the leadership of Brand Communications through the achievement of results and their impact within and beyond the borders of the industry.
